#### CONGRATULATING THE BOROUGH OF HUGHESTOWN ON ITS 125TH ANNIVERSARY

**HON. PAUL E. KANJORSKI**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2004*

Mr. KANJORSKI. Mr. Speaker, I rise today and ask you to join me in congratulating the Borough of Hughestown in Luzerne County, PA on its 125th anniversary. The community will celebrate on Saturday evening with an anniversary celebration at Convention Hall in Pittston Township.

Hughestown was organized as a Borough on April 8, 1879. The Borough became well-known throughout the Commonwealth as part of the Pennsylvania Coal Company's famous

#9 Mines and Breaker, which employed most of the Borough's residents.

Hughestown residents suffered several major tragedies in and around the mines. The Borough also lost its firehouse, elementary school and high school to fire.

Despite the adversity, the Borough flourished. The past 125 years have brought many changes to the Borough community, and today Hughestown is home to about 30 small businesses and is looking forward to the development of new townhouses.

In addition, Hughestown is proud to have its native son State Rep. Thomas N. Tighe residing in the Borough.

Avoca, Dupont, Duryea, Pittston and Pittston Township border Hughestown. The Borough's geographic size—four square miles—makes it one of the smallest municipalities in the county. The population of the Borough is now 1,560. The Borough definitely represents the old adage that "Good things come in small packages."

I would like to congratulate the leadership of the Borough, including Mayor Paul Hindmarsh and Council Members Jerry Chilipko, Barbara Gatto, Vince Mammarella, Paul Murphy, Wayne Quick Jr., Sam Sanguedolce and Ed Strubeck. I would also like to recognize Police Chief Steve Golya, Fire Chief Jamie Merlino and Leonard Copp and Chris Ribaudo of the Street Department.

I would also take this opportunity to pay tribute to the leadership of the very first Borough Officers: Jacob B. Shmaltz, Charles Matthewson, John W. Williams, John B. Clark, George Gill, Cuthbert Snowden, Thomas Snowden, D.D. Moser, John Tishler, Aaron Oliver, John M. Mosier, Ernest Shmaltz and James Delaney.

Mr. Speaker, today I ask you and my esteemed colleagues to please join me in congratulating the Borough on their very special anniversary.

#### WELCOMING THE ACCESSION OF BULGARIA, ESTONIA, LATVIA, LITHUANIA, ROMANIA, SLO- VAKIA, AND SLOVENIA TO THE NORTH ATLANTIC TREATY OR- GANIZATION

SPEECH OF

**HON. ALCEE L. HASTINGS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 30, 2004*

Mr. HASTINGS of Florida. Madam Speaker, I rise today to welcome the accession of Bulgaria, Estonia, Latvia, Lithuania, Romania, Slovakia, and Slovenia to the North Atlantic Treaty Organization. This is a truly historic occasion which transforms the strategic map of Europe, and strengthens the Atlantic Alliance.

In my first term in Congress, I cosponsored H. R. 4210, the NATO Participation Act of 1994. I believed then, as I continue to believe now, that NATO should be inclusive to all European nations that share our belief in democracy and the rule of law. Therefore, I am delighted to welcome the new member states to NATO.

NATO was established in 1949 for the purpose of countering the threat of Communist expansion. While that threat is now securely in the history books, the world has been forced

to face new, and different dangers. Throughout the myriad of changes in international relations since NATO was first founded, the salience of a strong alliance among friendly nations remains.

As is necessary with all longstanding organizations, NATO is changing with the times. It remains the world's most powerful regional defense alliance precisely because of its ability to adapt to new conditions. NATO continues to safeguard its member states through political and military means. However, over the past 15 years, the Organization has come to play a growing role in peacekeeping and crisis management.

Originally, NATO consisted of 12 member countries. Over the years the Organization has expanded twice. Once in 1952, to include Greece and Turkey, and a second time in 1955 to include West Germany. The simultaneous accession of seven states is the largest expansion in the history of the Organization. I, for one, hope that it will not take another 50 years before we see another round of NATO expansion.

The accession of Bulgaria, Estonia, Latvia, Lithuania, Romania, Slovakia, and Slovenia to NATO cements the increasingly strong relationship between the United States and those countries. The strengthening of the Atlantic Alliance is of benefit to all parties. Moreover, Congress looks forward to the opportunity to work closely together with the new countries for shared goals.

As the Vice-President of the Organization for Security and Cooperation in Europe's Parliamentary Assembly, I have followed closely the progress of the new NATO member states. In the past, I have had the pleasure of visiting Romania and Slovakia. Later this month, I plan to visit the Baltic region and learn more about our newest alliance partners.

In conclusion, let me again state my wholehearted support for H. Res. 558, welcoming the accession of Bulgaria, Estonia, Latvia, Lithuania, Romania, Slovakia, and Slovenia to the North Atlantic Treaty Organization. I reiterate my hope that we will soon have occasion to celebrate the accession of more states into the Atlantic Alliance.

#### REGARDING VIOLENCE AGAINST WOMEN IN COMMEMORATION OF INTERNATIONAL WOMEN'S DAY MARCH 15, 2004

**HON. JUANITA MILLENDER-McDONALD**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 1, 2004*

Ms. MILLENDER-McDONALD. Mr. Speaker, as we commemorate Women's History Month, it is of critical importance to note that the incidence of violence against women is still too high around the globe. Many women in the United States and in other nations live in terror, are afraid to speak up to protect their health and wellbeing, and are unable to shield their children from the effects of domestic violence.

The impact of violence against women of all social and economic classes worldwide is chilling. According to Amnesty International, 120 million women and girls are subjected to female circumcision annually, and over 700,000 women in the United States are
